

CONTAINER DRI® II CARGO DESICCANT

SUSTAINABILITY DATA SHEET

Container Dri® II carries the Clariant EcoTain® label for products with outstanding sustainability advantages.

Container Dri II has undergone a systematic, in-depth screening process using 36 criteria in all three sustainability dimensions: social, environmental, and economic. As a result, Container Dri II delivered a positive benefit in all areas.

Container Dri II protects cargo from the damaging effects of moisture during shipping and transport. Its high performance enables more absorption with less desiccant, making it a cost-effective and economical solution.
